

# NOX

Rules: 2 player game, 2 game pieces and one dice needed. Object is for one player to defeat the other by landing on the same square. However, neither player can land on an \* - you have to move around them in your attempt to reach and land on the other player. If by chance you can't finish your roll anywhere other than on an \*, then you automatically lose. Start the game with each player on a yellow square and alternate rolls to pursue each other.
